EXPERIENCE

USAA | *User Experience Designer* | August 2021–January 2026 | San Antonio, TX

- Partnered with marketing teams to create integrated experiences supporting mortgage marketing, agent enablement, and full funnel campaign execution.
- Led end to end design processes for financial service products in regulated environments, balancing user needs with business objectives.
- Facilitated cross functional workshops with marketing, product, and technology teams to align on creative strategy and ensure consistent brand expression.
- Translated complex financial concepts into clear visual solutions that build trust and reduce friction across web and mobile platforms.
- Delivered presentations to stakeholders and mentored team members on visual design and user centered thinking.

Key Achievements:

- 19% reduction in application dropouts through user-centered redesign
- 60% efficiency improvement via scalable design system implementation

BBVA USA | *User Experience Designer* | December 2017–July 2021 | Birmingham, AL

- Designed marketing materials, landing pages, and product interfaces for digital banking platforms with brand consistency across channels.
- Led concepting and iteration for the "Sea of Blue" marketing campaign, translating business objectives into engaging multi-channel visual strategy.
- Conducted user research and journey mapping to inform wireframes and prototypes using global design systems.

- Managed Agile production workflows and created design specifications for developers while maintaining quality standards.

Key Achievements:

- \$2.7M annual value generated through behavioral economics driven member decision tool

Cayenne Creative | Art Director | October 2016–November 2017 | Birmingham, AL

- Led creative strategy and art direction for integrated client campaigns across print, digital, social media, and promotional materials.
- Conceived, art directed, and managed photo shoots for brand storytelling and marketing campaigns.
- Delivered compelling presentations to gain stakeholder alignment and consulted on creative strategy, goals, and budget parameters.

Books-A-Million | Art Director | October 2014–October 2016 | Birmingham, AL

- Created and executed graphic design for promotional materials including print ads, catalogs, email campaigns, and social media.
- Managed print production processes, directed photo shoots, and maintained brand identity across multiple brands and product lines.
- Oversaw production schedules ensuring deliverables met tight deadlines while coordinating vendor pricing and cost estimates.

Luckie | Graphic Designer | September 2012–October 2014 | Birmingham, AL

- Created commercial materials and collateral for Regions Bank, adhering to brand standards and regulatory requirements.
- Lead designer for social media campaigns and developed print advertisements, brochures, and direct mail from concept through production.
